Missionary of the Week
Bob and Sheila Downey
Wheels for the World

The Downey's and the Bult's return from Africa today. The following is an excerpt from an update we received from Paul and Nancy last week:

Hi, everybody! ... it's been a very busy week. We arrived last Sunday with no problems. All tools and luggage arrived the same time as us! ... God is doing great things in this country! I think one of the biggest things is that more and more Muslims are open to receiving the gospel. There were 4 Muslims who accepted the Lord this week. PTL!! We saw over 200 people this week. ... The team is in good health even though it is very hot. I was wrong about the average temperature here - it is about 100 degrees every day with about 90% humidity. It has rained some every day so far... Love all of you, Paul & Nancy
