Dear CBC Family,

We cannot say thank you enough for your overwhelming support to provide vitamins for our recent medical trip to Uganda. We were able to purchase almost 30,000 multivitamins! We gave each orphanage director bottles and bottles of vitamins to give to the children for the months to come. The directors were very appreciative and overwhelmed by the outpouring of love from people in the US that have never even met them.

Our medical team saw approximately 900 children & adults in our clinics. We traveled to 3 different orphanages and did an impromptu clinic in the slums. We saw many different illnesses with varying degrees of severity. Many of the children were malnourished in addition to having various infections. The vitamins we gave the children will help strengthen their bodies to fight off their illnesses. Each person - adults & children - were so grateful and thankful for the care they received. Thank you again for your generosity and for being a part of our trip. God was glorified!

Love, Amber & Jerry Kaufman and Doma Team
