## Time, Tradition and Truth

After today's message you should be able to answer these five questions:

1. Of our measures of time, which has its origin from God? In other words, was not empirically observed or man made?
2. The word "sabbath" means what, and where is it first mentioned in Scripture?
3. Where is the instruction to observe the Sabbath found in the New Testament?
4. In Scripture, where is God's pattern for sabbath found?
5. Can a person be too worn out to sabbath?
