

Crown Financial Corner

Do you have more month than money? The answer is close at hand...
Jerry & Laura Kaufman, Church Coordinators for Crown Financial Ministries

The Need for More....and the Real Solution

By Chuck Bentley, CEO Crown Financial Ministries

Portions taken from Crown Financial Ministries e-Newsletter March 2010

Surprises have come your way, I'm sure. Mine too.

You have a problem, you imagine a solution - then Oh! Wait! You find out you had a different problem all along.

I went through this in my finances years ago. I thought I needed more money. What I really needed was more of Jesus. More of living life God's way.

As Crown co-founder Larry Burkett said, "Money is the greatest stumbling block for most Christians. Money isn't the problem, it's the symptom of the bigger problem, an outside indicator of what's going on in our hearts spiritually. How we handle money is a communicator about our spiritual lives."

As church coordinators for Crown, we have the joy of showing people that their true need is on the inside — it's the need to know God more fully and to walk with God more faithfully. The Crown Biblical Financial Study is a 10-week in-depth look at God's Word and His principles about finances and possessions. This study has been offered at CBC this past year. We now have 23 graduates whose lives are being changed and who are being drawn closer to the Lord through the Scriptures and principles learned in this study. — *Jerry & Laura Kaufman*

"WOW, what an incredible study on God's truth about money and possessions. This course really put it all together for me; I have a deeper understanding of my role versus God's role and have been drawn closer to Him. In a short ten week course, I learned a lifetime's worth! I only regret that I did not learn these principles sooner in life."
